Meteorological Conditions.—The mean annual temperature ranges from 82° at Cuttack to 75° at the elevated stations of Hazaribagh and Ranchi. May is the warmest month of the year, with mean temperatures between 85° and 94°. On the setting in of the rains in June a slight fall in temperature occurs, and the weather continues to become cooler until December, when the temperature nowhere exceeds 71°, while in Bihar and Chota Nagpur it is generally below 64°. The annual rainfall averages nearly 58 inches in Orissa, 53 inches in Chota Nagpur, and 50 inches in Bihar. Orissa has on more than one occasion suffered from disastrous famines, and it was devastated by the calamity of 1865–7. Earthquakes of considerable violence occurred in 1885 and 1897. Cyclones occasionally do great damage on the Orissa coast.

Population.—The total population of the Province (including its States) on 18th March, 1921, was 37,961,858. The census of 1921 shows that Hindus constitute 82 per cent. of the population, Muhammadans 10 per cent., Animists 7 per cent., and other religions 1 per cent. The people of the Province belong to three types: Dravidians in Chota Nagpur, Aryo-Dravidians in Bihar, and Mongolo-Dravidians or Bengalis in Orissa. The main divisions of the people, according to language, are as follow (1921 census figures):—

Indo-Aryan family—	
Western Hindi ...	25,105,914
Bengali...	1,568,138
Oriya	4,810,308
Munda family—	
Kherwari	1,854,072

Agriculture.—Copious and regular rainfall renders irrigation far less essential in the province than in some parts of India. In Orissa irrigation works exist but are seldom used. In Chota Nagpur rice cannot, however, be grown without irrigation, and rice is also irrigated in North Bihar at the foot of the Himalayas. Wheat and barley are commonly grown without irrigation. Rice is the principal crop, Patna being the centre of the great rice-growing areas; maize, wheat and barley are largely grown, and various other cereals and pulses. Sugar-cane is grown in North-west Bihar, and indigo, though the area under cultivation of the latter crop is shrinking. Jute is grown in Purnea. Tea is produced in Ranchi and Hazaribagh, and tobacco is grown more or less extensively for local consumption in every district. In Darbhanga, Purnea and Muzaffarpur it is also grown for trade and export. An agricultural research institute has been opened at Pusa, an agricultural college at Sabour, and experimental farms are established at various places in the Province.

Minerals.—Coal is the chief mining industry The mines furnish 70 per cent. of the total output of coal in India. The coal seams lie mainly in the Barakar and Damodar river valleys the principal fields at present worked being at Giridih (Karharbari) in the Barakar valley, and at Jherria and in the Ranigank district in the valley of the Damodar, all within 200 miles of Calcutta. The output of coal in 1925 was 13,938,500 tons, valued at about £6,000,000. Iron and copper ore are found in Singhbhum. Mica is found in the Gaya, Hazaribagh and Monghyr districts; saltpetre in Patna and Monghyr, and slate in Monghyr.

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

Manufactures.—Sugar is widely manufactured in the Tirhut and Patna Divisions. In these divisions also the manufacture of saltpetre is an important industry. Tobacco, guns, and articles of ebony inlaid with ivory and horn, are made in Monghyr, and silk and mixed silk and cotton fabrics at Bhagalpur. Handloom-weaving supports half-a-million people. Leathers are tanned and leather goods manufactured at Jobra. The gold and filigree work of Cuttack has a high reputation. Bell-metal and brass utensils, carpets, coarse cotton cloths and blankets are manufactured in many districts throughout the Province. The large works of the Tata Iron and Steel Company are situated at Jamshedpur in Singhbhum.

Administration.—The Province of Bihar and Orissa was created on 1st April, 1912, and consists of the Bhagalpur, Monghyr, Purnea and Santal Parganas Districts of the former Bhagalpur Division of Bengal, and the Patna, Tirhut, Chota Nagpur and Orissa Divisions of the former Province of Bengal. It was formerly governed by a lieutenant-governor, with an executive council of three members—created in August, 1912.

The present government of Bihar and Orissa consists of the governor, an executive council of two members, and two Indian ministers. The legislative council numbers 103 members, of whom 76 are elected and 27 nominated; of the latter the maximum number of officials is fixed at 15. There is a High Court of Judicature at Patna.

BURMA.

Area and Boundaries.—Burma is the name given to the country stretching along the western edge of that portion of the Continent of Asia which lies between the Bay of Bengal and the China Sea and is known generally as Indo-China. It has an area of 233,707 square miles. Due north, the boundary between Burma, Tibet, and China has not been precisely determined. Assam, Manipur, the Lushai Hills, and the Chittagong Hill tracts hem it in on the north-west, and its western border is the Bay of Bengal. Its north-eastern and eastern frontiers march with the Chinese Province of Yünnan, the Chinese-Shan and the Lao States, the French possessions in Indo-China, and the kingdom of Siam; and on the south it is bounded by that portion of Siam which forms part of the Malay Peninsula. Its extreme width is about 575 miles, and its extreme length about 1,200 miles. The Chinese name for Burma is "Mien," and the Burmese name is written "Myanma," though ordinarily pronounced "Bama."

Meteorology.—Burma has long enjoyed an unenviable notoriety in the matter of climate, but is slowly outgrowing its reputation as an irredeemably pestilential region. Malarial diseases are very prevalent in certain localities, but jungle-clearing and conservancy have worked wonders in the past few years, and the majority of places inhabited by Europeans are as salubrious as average stations in the East. The rainy season extends from May to October. The average annual rainfall varies from 200 inches at Tavoy and 187 inches at Akyab to 31 inches at Mandalay and 44 inches at Maymyo. The average mean temperature ranges from 88° at Mandalay in May to 70° in January at the same station. At Maymyo (a hill station) the mean temperature ranges from 71° in May to 53° in January. Storms and cyclones occur during the rainy season, being most frequent in May.

Population.—The total population of the province in 1921 was 13,212,192. The indigenous languages of Burma belong to the Mon-Khmer and Tibeto-Chinese families of languages, except Daingnet, a corrupt form of Bengali, spoken in Akyab district, and Salon (Selung), the speech of the sea-gypsies of the Mergui Archipelago, which is said to belong to the Malay group of languages. Caste is unknown as an indigenous institution in Burma. In 1921, 85 per cent. of the people were Buddhists; the remainder were Animists, Muhammadans, Hindus, and Christians.

Agricultural Products.—The great majority of the people are agriculturists. Rice is grown wherever there is suitable land and sufficient moisture. In the dry zone of Upper Burma, sesamum, maize, *jowar*, cotton, beans, wheat, and grain are grown largely in place of rice. Wheat and grain are grown in the better kinds of lowland soil, and beans and maize are sown in the rich alluvial soil left behind by the flood waters of the rivers. Cotton is grown in some tracts of the dry zone, as is also the toddy-palm. Tobacco is grown in the alluvial land; chillies, sugar cane, onions, plantains, mango trees, pineapples, and oranges are also widely grown. In certain of the hill tracts tea and coffee are cultivated with moderate success. Rubber is also grown on a commercial scale in various districts. Irrigation by canals, wells, and tanks is necessary for the cultivation of rice crops in Upper Burma.

Fisheries and Forests.—The fisheries of Burma are important, financially and otherwise. From time immemorial the exclusive right of fishing in certain classes of inland waters has belonged to the Government, and is usually sold by auction. Here and there along the coast are turtle banks, which yield a profit to Government. The waters of the Mergui Archipelago abound with fish. Pearl fishing is carried on by the natives. The forests of Burma yield a surplus of over half-a-million pounds a year. Teak is the most valuable timber exported.

Mineral Products and Industries.—Petroleum is extracted in Arakan, and tin in Tavoy and Mergui districts, but hardly anything in the shape of regular mining operations is carried on in the rest of Lower Burma. The principal oil-bearing areas are in the dry zone of Upper Burma; gold, rubies, jade, amber, and coal have been found in paying quantities only north of the 22nd parallel of latitude. Coal has been found in the Northern and Southern Shan States, and to the west of the Chindwin River, in the Upper Chindwin district, in Thayetmyo, in Mergui, and in Shwebo district. Iron is found in the Shan States, Mergui, and elsewhere.

CC-0. Mumukshu Bhawan Varanasi Collection. Digitized by eGangotri

but it is not systematically dealt with, and iron-smelting is a purely local village industry. Mogok is the headquarters of the ruby mining area; the mines are situated in the hills, 60 miles east of the Irrawaddy, and about 90 miles from the city of Mandalay. The domestic industries of the people include cotton-weaving, silk-weaving, gold and silversmiths' work, brasswork, the making of earthen vessels or cooking, lacquer work, the making of sandals, matmaking, and cart and boat building. There are rice mills, saw mills, petroleum and match factories.

Administration.—Burma was constituted a lieutenant-governorship in 1897, and in January, 1923, became a "Governor's Province." There are 8 commissioners' divisions and 37 districts. The Executive Covernment consists of the Governor, an Executive Council consisting of two members appointed by the Crown, and two Ministers. The Legislative Council, as constituted in 1923, consists of 103 members, of whom 79 are elected. A High Court of Judicature was established at Rangoon on 18th December, 1922.

CENTRAL PROVINCES.

Extent and Boundaries.—The Central Provinces comprise a large portion of the broad belt of hill and plateau country which lies between the plains of Hindustan and the Deccan. The area, including Berar, is 131,052 square miles, of which 99,876 are British territory, the remainder held by feudatory chiefs. The Province is bounded on the north and north-west by the Central India States and the United Provinces; on the west by the States of Bhopal and Indore and by a part of Bombay; on the south by Berar, the Nizam's Dominions and part of Madras; and on the east by Madras and the Tributary States of Bihar and Orissa. They are thus enclosed on nearly every side by Indian States. Berar, with an area of 17,767 square miles, is leased in perpetuity from the Nizam of Hyderabad, and has been administered by the chief commissioner of the Central Provinces since 1st October, 1903.

Population.—The population of the Province, including Berar, was, in 1921, 15,979,660, including 2,066,900 in Indian States. The main divisions of the people, excluding the Indian States, according to language (1921 figures), are:—

	Spoken by
Indo-Aryan—	
Western Hindi	7,507,175
Marathi	4,773,561
Oriya	204,937
Dravidian—	
Gond	929,398

In 1921 about 11·6 millions, or 80 per cent. of the total population, were Hindus, 2½ millions were Animists, 563,000 Musalmans, 41,000 Christians, and 68,000 Jains.

Agriculture.—The Province is essentially agricultural, about 75 per cent. of the total population being either wholly or partly maintained by agricultural labour. Wheat, linseed and grain are largely grown in the heavy black soil of the Narbada Valley and the level portions of the Vindhyan and Satpura plateaux. Cotton and *jowar* are grown in the shallow black soil lying over the surface of basaltic rock, while in the sandy and stony uplands only cheap millets can be produced. Rice is the most important crop in the Province, covering over 7,000 square miles, or 26 per cent. of the total cropped area, in the level plains near the rivers from which the rice fields can be irrigated. "Reserved" forests cover about 20,000 square miles, or 20 per cent. of the total area of the Province, and produce a surplus revenue of about £82,000 per year.

Mineral Products and Industries.—Coal measures occur in various parts of the Province in the Barakar group of Gondwana rocks, and mining operations take place in the Mohpani field near Gadarwara, in Chhindwara, and at Bandar, near Warora. Iron ores of good quality occur in various places, the best known centres being Sihora in Jubbulpore, and Tendukheda in Narsinghpur. Manganese ores are found in several districts, the most important mines being in the Ramtek *tahsil* of Nagpur district. Limestone, fullers' earth and building stone are found in several places. The principal manufactures are silk-weaving, cotton-weaving, &c., gold and silver work, brass, copper and bell-metal work, and the making of glass bangles. Pottery, bamboo work and blanket-weaving are of somewhat less importance. There are cotton mills at Nagpur, Hinganghat, Jubbulpore, Pulgaon, and Raj-Nandgaon in the Nandgaon State. Jubbulpore possesses also a brewery, some pottery works, and the central gun carriage factory, which was opened in 1905. There is a match factory at Kota, in Bilaspur, and a brick and tile factory belonging to the Government at Warora.

Administration.—The government of the Central Provinces consists of the governor, an executive council of two members, and two Indian ministers. There is the usual secretariat. The Province is divided into four divisions and 18 districts. The legislative council, which came into being in January, 1921, numbers 73, of whom 55 are elected members. The judicial commissioner is the highest court of appeal; he is assisted by an additional commissioner for the Central Provinces, and another for Berar. The period now adopted for land revenue settlements is 20 years, but settlements have been made for various terms. In *zamindari* estates the revenue is fixed at a favourably low rate, as a rule not exceeding 40 per cent. of the "assets"; in *ryotwari* settlements the whole of the ryot's payment is taken as the Government revenue, subject to a small drawback to the managing headman for the trouble of collection.

ASSAM.

Extent and Boundaries.—The Province of Assam includes the Assam Valley Division, the Surma Valley and Hills Division and the State of Manipur. It is bounded on the east by the hill tracts of Upper Burma, on the north by Bhutan and Tibet and the Himalayas, and on the west by Bengal and Hill Tippera. The total area is 61,471 square miles, of which 8,456 square miles are in the Native State of Manipur.

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

Meteorological Conditions.—The Province is freely open to moisture-laden winds from the Bay of Bengal, and lies beyond the influence of the dry air current which frequently blows down the Gangetic plain into Bengal during periods of hot weather; its climate is therefore notoriously damp. Cherrapunji, in the Khasi Hills, is one of the wettest places in the world, having a rainfall of 426 inches. The temperature ranges from 59° at Sibsagar in January to 84° in July. Earthquakes of considerable severity have taken place, by far the worst being that which occurred in 1897.

Population.—The total population in 1921 was 7,990,246, of whom only 384,016 were in Manipur. Of the total population in 1921, over 4 millions were Hindus, over 2 millions Muhammadans, and 1½ millions Animists.

Agricultural Products.—The Province enjoys agricultural advantages for which it would be difficult to find a parallel in any part of India, climate, soil, rainfall, and river systems all alike being favourable to cultivation. Rice is the staple food crop, about 4½ million acres being devoted to this crop. Except in the Himalayan Tarai irrigation is unnecessary. Jute and tea are the most important crops grown for export; the area under jute being generally about 95,000 acres, that under tea about 360,000 acres. Cotton, rubber and tobacco are also grown, and about 56 square miles are devoted to sugar cane. The total area of "reserved" forest is about 4,381 square miles, and the unclassed State forests cover about 18,401 square miles.

Mines and Minerals.—The only minerals in Assam worked on a commercial scale are coal, limestone, and petroleum oil. The most extensive coal measures are in the Naga Hills district, where over 300,000 tons are raised annually and used mainly by the river steamers and in the tea gardens. Limestone is quarried in the Khasi and Jaintia Hills, in Sylhet, and in the Garo Hills. Petroleum is worked only in Lakimpur; the oil is rich in paraffin, and the chief products are light naphthas, kerosene and wax. The oil is sold locally, and the wax is exported, mainly to England.

Manufactures.—Silk is manufactured in the Assam Valley, the weaving being done by the women. Cotton weaving is also largely practised by the women, and almost every house contains a loom; the cloth is being gradually displaced by imported goods of finer texture and colour. Boat building, the making of brass and metal and earthen wares, tea manufacture and limestone burning are the other chief industries apart from agriculture, which itself supports about 86 per cent. of the population.

Administration.—The Province of Eastern Bengal and Assam was formed on 16th October, 1905, and consisted of Assam, the Dacca, and Chittagong Divisions, the Districts of Rajshahi, Dinajpur, Jalpaiguri, Rangpur, Bogra, Pabna, and Malda, and the States of Tripura and Manipur. Up to 1st April, 1912, the province was governed by a lieutenant-governor, with the assistance of the usual secretariat and a revenue board. On that date the Chittagong, Dacca and Rajshahi Divisions, and the administration of the State of Tripura were transferred to the new Presidency of Bengal, while the Assam Valley Districts Division, and the Surma Valley and Hill Districts Division, together with the State of Manipur, were taken under the immediate authority of the governor-general in council and formed into the chief commissionership of Assam.

From the 1st January, 1921, Assam became a governor's province. The government now consists of the governor, an executive council of two members, and two Indian ministers. The legislative council numbers 53, of whom 39 are elected members.

NORTH-WEST FRONTIER PROVINCE.

Boundaries and Area.—This Province was constituted on 9th Nov., 1901, and, as its name denotes, is situated in the North-West Frontier of the Indian Empire. On the north it is shut off from the Pamirs by the mountains of the Hindu Kush, on the south it is bounded by Baluchistan and the Dera Ghazi Khan District of the Punjab, on the east by Kashmir and the Punjab, and on the west by Afghanistan. The approximate area is 38,919 square miles, of which only 13,418 are British territory, the remainder being occupied by tribes under the political control of the agent to the governor-general in the five political charges of Dir, Swat and Chitral, Khaibar, Kurram, Tochi and Wana.

Meteorology.—Climatic conditions are extremely diversified, the Dera Ismail Khan District being one of the hottest areas in India, while in the northern mountain region the weather is temperate in summer and intensely cold in winter. The air is generally dry and the daily and annual ranges of temperature are frequently very large. There are two wet seasons: one the monsoon, the other in winter when storms from Mesopotamia, Persia and the Caspian districts bring widespread rain and snowfall. Both sources of supply are precarious, and not infrequently one of them fails. The lightest annual rainfall is that of Dera Ismail Khan (9 inches), the heaviest that of Hazara, Abbottabad having a rainfall of 46 inches. The temperature in Dera Ismail Khan rises during the hottest part of the year to between 113° and 118°; in Peshawar it is between 113° and 119°. In the cold weather it is about 55° at Peshawar, and 58° at Dera Ismail Khan.

Population and Agriculture.—The population of the districts and administered territories in 1921 was 2,251,340; of the agencies and tribal areas, 2,825,136. The Pathans are the most numerous and important class; next in order come the Awans, Jats, Gujars, Saiyids, Tanaolis, Malliars, Dhunds, &c. Pathan denotes status, and is not now a racial term; the Pathan tribes are mainly of Iranian origin. It is estimated that over 90 per cent. of the people of the Province are Muhammadans. The majority are agriculturists; other occupations are cotton weaving, leather working, iron and wood work, and the making of earthenware. The principal crops

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

are—in the cold weather, maize and bajra; in the spring, wheat, barley, and gram. Rice and sugarcane are largely grown on the irrigated tracts of the Hazara, Peshawar and Bannu districts, and the well and canal irrigated tracts of the Peshawar district produce fine crops of cotton and tobacco. Of the total area cultivated 25 per cent. is irrigated by canals and 2 per cent. by perennial streams. Larger areas are about to be brought under irrigation by the waters of the Swat, by tunnelling under the Malakand Pass, and of the Indus.

Border Trade.—The Province owes its commercial importance to the fact that it lies across the great trade routes which connect India with trans-border tribal territories and the marts of Afghanistan and Central Asia. The Malakand Pass is the main route for imports from Buner and Bajaur which go to Naushahra. The bulk of the commerce with Afghanistan comes down the Khyber Pass to Peshawar, and some of it reaches Kohat by the Gomal and Tochi Valleys or by the Peiwar Kotal and the Kurram Valley. The Chuhar Khel Dhana and Vihowa Kharr routes, once important, are being abandoned for the railway route through Baluchistan. The trade with Bokhara, once important and lucrative, has steadily declined and is being diverted to the Batoum-Bombay sea route. The main articles of import are sheep, goats, grain, pulses, hides and skins, cordage, mats, oil, timber, silk, wool, fruit and vegetables. The chief exports across the border are cotton piece goods, twist and yarn, salt, sugar, tea, tobacco, hardware, metals, leather, dyeing materials, silver and coin.

Administration.—The Province is in the control of a chief commissioner who is also, in the political areas, agent to the governor-general. There are five districts and five political agencies administered by officers of the Indian Civil Service, military officers of the Political Department of the Government of India, and the Punjab Commission. The canals of the Peshawar District are under the control of the Punjab Irrigation Department; the control of the finances is exercised by the accountant-general of the Punjab. There is no legislative council, the Province having been withdrawn on its formation from the jurisdiction of the legislative council of the Punjab. The court of the judicial commissioner also then took the place of the chief court of the Punjab. The revenue and expenditure of the Province are wholly Imperial.

The character of the land tenures in the Settled Districts resembles those of the Punjab, and the method and standard of assessments are the same, but in some districts, for political reasons, they are lighter. Of the agencies only Kurram and the Tochi Valley pay land revenue to the British Government.

BALUCHISTAN.

A tract of mountainous country, whose coast is continuous with the north-western seaboard of the Indian Peninsula; bounded on the north by Afghanistan, on the east by Sindh on the south by the Arabian sea, and on the west by Persia. It extends from lat. 24° 50′ to 30° 20′ N., and from long. 60° 40′ to 69° 45′ E.; total area, 134,638 square miles; population 834,703. The country is inhabited by two distinct races, the Brahui and the Baluch. These are each divided into numerous classes, and although Baluchistan derives its name from the latter, the Brahuis are considered the dominant people, and from amongst them the rulers of the country are always selected. The population of British Baluchistan in 1921 was 420,648, and of the Baluchistan States, 378,977.

The first occasion of British intercourse with Baluchistan was when, in 1839, the British Army advanced through the Bolan Pass towards Afghanistan. Owing to the hostile attitude of its ruler, it was found necessary to occupy Kalat, the Khan himself being killed in the assault. Three treaties have been concluded with the Baluchis (in 1841, 1854, and 1876), the two last binding them to subordinate co-operation with the government of India. By the terms of the treaty of 1876, the Quetta district was leased to that government, and has been administered by British officers since 1877. British Baluchistan was incorporated with British India in 1887, and was divided into two districts—Quetta-Pishin and Thal-Chotiali. Quetta is joined to the railway system of India by a loop of the Sind-Pishin railway running from Sibi through the Bolan Pass to Bostan, and is the headquarters of a division of the Indian Army. Other areas under direct British administration are Zhob, Bolan, and Chagai. The rest of the country is occupied by the states of Kalat, Kharan and Las Bela (*see* page 480), and by the Marri and Bugti tribes.

DELHI.

The province of Delhi was created on 30th September, 1912, in pursuance of the policy announced by H.M. the King Emperor at the Delhi Durbar on 12 December, 1911, to move the capital of India and its seat of government from Calcutta to Delhi.

The province lies on the right bank of the River Jumna, and consists of that portion of the District of Delhi (in the Province of the Punjab) comprising the Tahsil of Delhi and Mahrauli Thana. It covers about 528 square miles, its area varying slightly from year to year with the changes in the deep stream of the river Jumna. Its population in 1921 was 488,188. It forms an Imperial *enclave*, of which the city of Delhi forms the principal feature.

The government of the province is conferred upon a chief commissioner, but certain powers and duties are reserved to the governor-general in council, and others are exercised by the governor of the Punjab [*see* the Delhi Laws Act, 1912 (xiii of 1912), and govt. of India Notification, Home Dept., No. 1008, dated 1st Oct., 1912]. The chief commissioner exercises the functions of a commissioner of a division, financial commissioner, registrar-general of births, &c., and of joint stock companies, inspector-general of registration, and inspector-general of police. Other offices are performed by officials of the Punjab government.

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

INDIAN STATES.

The territories of the Indian States occupy approximately two-fifths of the entire Indian peninsula, and contain over one-fifth of the whole population of the country. The names of the principal chiefs, and the salutes allowed to each will be found at pages 241–249.

The Chamber of Princes, which was inaugurated in February, 1921, is a permanent consultative body which meets periodically for the discussion of matters affecting the Indian States generally, or of common concern to the states and to British India or the Empire at large.

Many of the states are governed almost independently by their own rulers, but they are all subject in a greater or less degree to supervision and guidance at the hands of the British Government. They may be divided into two main heads: (1) states having political relations with the government of India; and (2) states having political relations with the several local governments of India.

In pursuance of the general policy advocated in para. 310 of the Montagu-Chelmsford Report on Indian Constitutional Reforms (1918), a number of the more important Indian states, formerly in political relations with local governments and administrations, have been placed in direct relations with the Government of India. These states include most of the Punjab states, the United Provinces states of Rampur, Benares and Tehri, the Bengal states of Cooch Behar and Tripura, all the states in the Madras Presidency, and the political agencies of Kathiawar, Cutch and Palanpur, in the Bombay Presidency. Gwalior, formerly included in the states of the Central India Agency, is now in direct relations with the central government through a resident.

States having Political Relations with the Government of India.

1. *Hyderabad.* — The Hyderabad State is roughly co-extensive with the Deccan or central plateau of Southern India, and takes its name from its capital city. The total area of the territory governed by the Nizam is 82,698 square miles, containing (1921) a population of 12,471,770, about one-tenth being Muhammadans. The ruling dynasty is of Turkoman origin, the name of the first sovereign being Chin Killich Khan, also known as Asaf Jah, who was appointed to be Viceroy of the Deccan with the title of Nizam-ul-Mulk in the year 1712. During the dissensions in the empire subsequent to the death of Aurungzeb, Asaf Jah succeeded in asserting his own independence. The Assigned Districts of Berar were assigned to the British Government in 1853 to meet the cost, including arrears of pay, of the Hyderabad Contingent, an auxiliary force of four cavalry regiments, four batteries of field artillery, and six regiments of infantry. The *raison d'être* of this force was primarily that it might be of use to the Nizam, but it was available also under treaty for general service with British troops when required. In 1903 it was delocalised and incorporated into the Indian army. The surplus revenue derived from Berar, after paying for the cost of the administration, was paid to the Nizam's government. In 1902, however, the permanent administrative control of Berar was acquired by the British Government on a perpetual lease, by agreement with the Nizam, and for administrative purposes the Districts were incorporated in the Central Provinces. Revenue of Hyderabad, about £4,600,000. The State has relations with the Government of India through a political resident.

2. *Mysore.*—The Mysore State is situated in Southern India, between 11° 40′ and 15° N. lat., and between 74° 40′ and 78° 30′ E. long., and is surrounded on all sides by British territory. Its total area, including the civil and military station of Bangalore, which is under British administration, is 29,528 square miles, and it contains (1921) a population of 5,978,892. The inhabitants are almost exclusively Hindus, who constitute more than 92 per cent. of the whole population. In early times Mysore was the principal seat of the Jains, who have left many interesting memorials of their occupation. The state has always been under Hindu rulers, except during the short interval caused by the usurpation of power during the 18th century by Haidar Ali and his son, Tipu Sultan. After the death of the latter, at the capture of Seringapatam in 1799, the English restored a representative of the ancient line in the person of Krishna Raj, son of Chama Raj of Arakotara. His subsequent misrule, when admitted to power on attaining his majority, led to the resumption of the administrative control of the province by the British government in the year 1831. The government, however, continued to be carried on in the name of the native prince, and at his death an adopted son was recognised as successor. This chief, since dead, was duly installed on coming of age in 1881. The British chief commissioner thereupon handed over office to the Indian diwan, and a political resident was appointed to represent British interests. Revenue of Mysore, about £2,560,000.

3. *Baroda.*—This state includes all the territories of his Highness the Gaekwar. Its total area is 8,182 square miles, and it contains (1921) a population of 2,126,522 souls, the great majority of whom are Hindus. The province of Gujarat was at one time included in the Mughal empire, but, in the early part of the eighteenth century, the Mahrattas, under the leadership of Damaji Gaekwar, and afterwards of his nephew, Pilaji, succeeded in wresting all power out of the hands of the Mughal officers. From that time Baroda has remained continuously under the sway of the Gaekwar family, who held it in the first instance under the Mahratta Peshwa subject to a tributary payment, but afterwards threw off their allegiance and became feudatory to the British government under the guarantee of a treaty executed in the year 1817. The British government is represented at Baroda by a political resident. Revenue of Baroda about £1,830,000.

4. *Jammu and Kashmir.* — This state includes, in addition to the district of Kashmir proper, Jammu, Poonch, and the governorships of Ladakh and Gilgit. Subordinate to it are the petty chiefships of Hunza and Nagar. The area is estimated to be 84,258 square miles. The population,

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

according to the census of 1921, amounts to 3,320,518. Kashmir became part of the Mughal empire in 1586 A.D., but it was afterwards subjugated both by the Afghans and the Sikhs. At the time of the Sikh war the state was under the government of Gulab Singh, a Sikh officer, who ruled as a feudatory of the Maharaja of the Punjab. After the victory of the British forces in 1846, the possession of the kingdom was confirmed to Gulab Singh, under certain specified conditions of alliance and subordinate co-operation, by a separate treaty executed at Amritsar in the same year. A political resident is permanently stationed in Kashmir. The ruling family is Hindu, but about three-quarters of the inhabitants of the country are Muhammadans, and chiefly of the Sunni sect. Revenue, about £1,570,000.

5. *Gwalior.*—In 1921 the Gwalior State was separated from the rest of the Central India Agency, and was placed in direct relations with the government of India through a resident. It is the leading state of Central India, having an area of 26,382 square miles, a population of 3,175,822, and a revenue of approximately £1,570,000. 84 per cent. of the population is Hindu.

6. *Baluchistan Agency.*—In this Agency are included the states of Kalat, and Las Bela. The Khanate of Kalat, which formerly comprised the whole of the country known as Baluchistan, now occupies only about two-thirds of it. Its area is approximately 55,000 square miles. The country is sparsely populated, the total population in 1921 being 328,302. The Khan of Kalat is under a treaty obligation of subordinate co-operation with the British government. The governor-general's agent in Baluchistan conducts the relations between the government of India and the Khan, and exercises a general political supervision over the district. Revenue, about £110,000. Kharan, which was formerly classed as a state, is a division of Kalat under a chief who takes his place in the Kalat Confederacy, and extends in a westerly and south-westerly direction from near Nushki and Kalat to the Persian Border. Its area is 14,210 square miles, it had a population in 1911 of 22,663, and an average annual revenue of about £7,000. Las Bela is a small state occupying the valley and delta of the Purali river, about 50 miles west of the Sind boundary. Area, 7,132 square miles; population (1921), 50,697, chiefly Sunni Muhammadans; estimated revenue about £25,000.

7. *Rajputana Agency.*—Rajputana is the name of a great territorial circle, situated between 23° and 30° N. lat., and between 69° 30′ and 78° 15′ E. long. Within these limits are twenty-one states, having each its own autonomy and separate chief, together with the British district of Ajmer-Merwara. Of the states, seventeen are Rajput, two are Jat (Bharatpur and Dholpur), and only one is Muhammadan (Tonk). Their combined area is 128,987 square miles, and they contain a population (1921) of 9,844,384. Ajmer-Merwara has a population (1921) of 495,899. The chief administrative control of the British district is vested *ex-officio* in the political officer, who holds the post of governor-general's agent for the supervision of the relations between the several states of Rajputana and the government of India. For administrative purposes they are divided into the following groups: Rajputana Agency (Bikaner, Sirohi and Jhalawar); Eastern Rajputana States Agency (Alwar, Bharatpur, Dholpur, Karauli and Kotah); Haraoti and Tonk Agency (Bundi, Tonk and Shahpura); Jaipur Residency, 3 states (principal state, Jaipur); Mewar Residency; Western Rajputana States Residency (Marwar and Jaisalmer); Southern Rajputana States (Banswara, Dungarpur and Partabgarh).

The following table gives a detailed statement of the estimated area and population (including forest tribes) and the approximate revenues of the principal states in the Rajputana Agency:—

Name.	Area in square miles.	Population, 1921.	Approximate Revenue.
			£
Alwar	3,221	701,154	400,000
Banswara	1,606	190,362	60,000
Bharatpur	1,993	496,437	220,000
Bikaner	23,315	659,685	680,000
Bundi	2,220	187,068	80,000
Dholpur	1,200	229,734	140,000
Jaipur	15,579	2,338,802	860,000
Karauli	1,242	133,730	59,000
Kotah	5,684	630,060	340,000
Marwar (or Jodhpur)	34,963	1,841,642	1,120,000
Mewar (or Udaipur)	12,691	1,380,063	380,000
Sirohi	1,964	188,639	80,000
Tonk	2,553	287,898	170,000

8. *Central India Agency.*—Central India is the name given to the country occupied by the states grouped together under the supervision of an agent to the Governor-General, the political officer in charge of the Central India Agency. These states lie between 21° 24′ and 26° 32′ N. lat., and between 74° 0′ and 83° 0′ E. long. The British districts of Jhansi and Lalitpur divide the agency into two main divisions—Native Bundelkhand and Baghelkhand lying to the east, and Central India proper to the west. Exclusive of Gwalior (see 5 above), the total area covered is

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

51,505 square miles, and the population (1921) amounts to 6,004,581. The great majority of the people are Hindus. The principal states in the Agency are Indore, Bhopal, Rewa, Dhar, Jaora, Datia and Orchha, of which two, Bhopal and Jaora, are Muhammadan, and the rest are Hindu. Besides these there are a multitude of petty states held by their rulers under the immediate guarantee of the British government, but having feudal relations with one or other of the larger states. The total number of states amounts to 119. For administrative purposes they are divided into the following groups: Baghelkhand Agency, 12 states (principal state, Rewa); Bhopal Agency, 17 states (principal state, Bhopal); Southern States Agency, 21 states (principal state, Dhar); Bundelkhand Agency, 22 states (principal states, Datia and Orchha); Indore Residency, 9 states (principal state, Indore); Malwa Agency, 38 states (principal state, Jaora).

The following list gives the approximate size, population, and revenue of the seven principal states above mentioned:—

Name.	Area.	Population, 1921.	Approximate Revenue.
	Sq. m.		£
Indore	9,519	1,151,598	930,000
Bhopal	6,902	692,448	420,000
Rewa...	13,000	1,401,524	410,000
Dhar	1,777	230,333	120,000
Jaora	601	85,778	87,000
Datia	911	148,659	140,000
Orchha	2,079	284,948	75,000

9. *Madras.*—The Madras Presidency includes five Indian states covering an area of 10,549 square miles, with a population (1921) of 5,460,029 souls.

Of these states, Travancore and Cochin represent ancient Hindu dynasties. Pudukkottai is the inheritance of a chieftain called Tondiman. Banganapalle and Sandur, two petty states, of which the first is ruled by a Nawab, lie in the centre of two British districts. The principal states are:—

Name.	Area.	Population, 1921.	Approximate Revenue.
	Sq. m.		£
Cochin	1,417	979,019	570,000
Pudukkottai...	1,179	426,813	169,000
Travancore	7,625	4,006,062	1,580,000

10. *Bombay.*—The Indian states in this presidency have a total area of 63,864 square miles, and a population of 7,412,341. They are divided for administrative purposes into agencies, three of which, viz., Kathiawar, Cutch and Palanpur, were brought into direct relations with the Government of India in 1924, through a political officer designated the "Agent to the Governor-General in the States of Western India." The Kathiawar Agency consists of 187 states, the Palanpur Agency of 18. The list below gives details of the area, &c., of the more important states in the three agencies:—

Name.	Area.	Population, 1921.	Approximate Revenue.
	Sq. m.		£
Bhavnagar (Kathiawar Agency) ...	2,860	426,404	640,000
Cutch...	7,616	484,526	240,000
Gondal (Kathiawar Agency)	1,024	167,071	380,000
Junagarh (Junagadh) (Kathiawar Agcy.)	3,336	465,493	530,000
Nawanagar (Navanagar) (Kathiawar Agency)	3,791	345,353	450,000
Palanpur	1,750	236,694	70,000

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

11. *Bengal.*—There are two states in this Presidency, Cooch Behar and Tripura. Area, 5,393 square miles. Population (1921), 896,173. Revenue, about £480,000. Cooch Behar is inhabited by a mongoloid people, the Cooch. It has an area of 1,307 square miles, a population (1921) of 592,372, and a revenue of about £290,000. Tripura, previously under this government, was, in October, 1905, transferred to the government of the newly-constituted province of Eastern Bengal and Assam, and again transferred to Bengal in 1912. Tripura is the home of a mongoloid race, partly drawn from the Eastern Himalayas, and allied to the Kachari of Assam. Its area is 4,116 square miles, and its population (1921), 304,437. Its revenue is about £190,000.

12. *United Provinces of Agra and Oudh.*—The following three states are included in the United Provinces:—

Name.	Area.	Population, 1921.	Approximate Revenue.
	Sq. m.		£
Benares	875	362,735	170,000
Rampur	893	453,607	380,000
Tehri (Garhwal)	4,500	318,482	100,000

Rampur is nearly equally divided between Muhammadans and Hindus. The inhabitants of Benares and Tehri are chiefly Hindus.

13. *Punjab.*—The most important of the 34 Punjab states, which vary considerably in size, have been brought into direct relations with the Government of India through an Agent to the Governor-General. Their names are included in the following list, which gives details of their area, population, and revenue:—

Name.	Area.	Population, 1921.	Approximate Revenue.
	Sq. m.		£
Bahawalpur...	15,000	781,191	360,000
Bilaspur	448	98,000	20,000
Chamba	3,216	141,867	50,000
Faridkot	643	150,661	130,000
Jind	1,259	308,183	210,000
Kapurthala	630	284,275	280,000
Loharu	222	20,621	9,000
Maler Kotla	168	80,332	100,000
Mandi	1,200	185,048	80,000
Nabha	928	263,334	180,000
Patiala	5,932	1,499,739	1,220,000
Sirmur (Nahan)	1,198	140,468	45,000
Suket...	420	54,328	15,000

Information regarding the states that remain in political relations with the Punjab Government will be found on page 483.

14. *North-West Frontier Province.*—The Indian states of the North-West Frontier Province are Amb, Chitral, Dir, Swat, and Phulera. The total area is about 7,704 square miles, and the population, mainly Muhammadan, was about 375,000 in 1911. The total annual revenue of the first four is about £31,000. Their relations with the Government of India are conducted by the Chief Commissioner and Agent to the Governor-General, N.-W. Frontier Province.

15. *Sikkim* is bounded on the north and north-east by Tibet, on the south-east by Bhutan, on the south by the British district of Darjiling, and on the west by Nepal. The population consists of the races of Lepcha and Bhoti, and the Nepali tribe, Limbu. It forms the direct route to the Chumbi valley in Tibet. Previously under the government of Bengal, it was brought under the direct supervision of the governor-general in Council in 1906. A political officer is stationed in Sikkim. Area, 2,818 square miles; population, (1921) 81,721, about two-thirds Buddhists and one-third Hindus; approximate revenue, £30,000.

16. *Bhutan.*—Bhutan extends for a distance of approximately 190 miles east and west along the southern slopes of the central axis of the Himalayas, adjacent to the northern borders of Bengal and Assam. Its area is about 18,000 square miles and its population, consisting of Buddhists and Hindus, has been estimated at 250,000. The country formerly belonged to a tribe called Tek-pa, but was wrested from them by some Tibetan soldiers about the middle of the seventeenth century. Relations with the Government of India are regulated by treaties concluded in 1865 and 1910. The average annual revenue is estimated at £20,000.

States having Political Relations with the Local Governments.

1. *Government of Bombay.*—The states remaining in political relations with the Bombay

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

Government are divided for administrative purposes into the following Agencies:—Belgaum Agency, 1 state (Savantvadi); Bijapur Agency, 1 state; Dharwar Agency, 1 state (Savanur); Kaira Agency, 1 state (Cambay); Kolaba Agency, 1 state (Janjira); Kolhapur Residency and Southern Maratha Country Agency, 9 states (principal state, Kolhapur, with 9 feudatory states); Mahi Kantha Agency, 51 states (principal state, Idar); Nasik Agency, 1 state (Surgana); Poona Agency, 1 state (Bhor); Rewa Kantha Agency, 62 states (principal state, Rajpipla); Satara Agency, 2 states; Sholapur Agency, 1 state; Sukkur Agency, 1 state (Khairpur); Surat Agency, 17 states; Thana Agency, 1 state (Jawhar).

Details of the area, etc., of the more important states are given below:—

Name.	Area.	Population. 1921.	Approximate Revenue.
	Sq. m.		£
Idar	1,668	226,355	100,000
Khairpur	6,050	193,152	170,000
Kolhapur	3,165	832,376	590,000
Rajpipla	1,517	168,454	140,000

2. *Government of Bihar and Orissa.*—This Province includes the Chota Nagpur political states of Kharsawan and Seraikela, and the Orissa feudatory states, 24 in number. The total area is 28,648 square miles, and the total population 3,965,431. The revenue is about £360,000. The inhabitants are hill-men of Kolarian or Dravidian origin, and their condition is still very primitive.

While the feudatory states of Bihar and Orissa have not been placed in direct relations with the central government, steps were taken in 1921 to bring them into closer touch with the head of the province.

3. *Government of Burma.*—The Shan States in Burma are essentially different from States in India, as their territory forms part of British India. The only native states, properly so called, in Burma are the States of Karenni. The main block of the Shan States, grouped into the Northern and Southern Shan States, was formed into a federation with effect from the 1st October, 1922, with finances distinct from those of Burma proper, and under a distinct form of administration.

The Southern Shan States comprise 37 states, with an area of 36,157 square miles, and a population of about 847,000. There are 4 states in Karenni, the area of which is 4,280 square miles, and the population 63,850. The Northern Shan States comprise 6 states, with an area of 20,156 square miles, and a population of about 586,000. There are in addition 2 states in the Sagaing Division (Hsawnghsup and Singkaling Hkamti) with an area of 1,513 square miles, and a population of about 9,300, and one in the Mandalay Division (Hkamti Long or Bhor Hkamti), the area of which is 200 square miles, and the population about 7,700.

4. *Government of the Central Provinces.*—There are 15 states. Their total area is 31,174 square miles, with a population (1921) of 2,068,482 persons. Revenue, about £245,000. The inhabitants are chiefly Hindus and aborigines. The principal states are:—

Name.	Area.	Population, 1926.	Approximate Revenue.
	Sq. m.		£
Bastar	13,062	433,263	53,000
Surguja	6,055	429,116	35,000

5. *Government of Assam.*—This Province includes Manipur, with an area of 8,456 square miles and a population (1921) of 384,016, of which about 58 per cent. are Hindus, 38 per cent. animistic forest tribes, and 4 per cent. Muhammadans. Revenue, about £50,000. In addition there are the Khasi and Jaintia Hills, consisting of 15 petty chiefships with a total area of about 3,900 square miles and a population of about 113,000, consisting of Khasis, Brahmos and Christians.

6. *Government of the Punjab.*—As explained on page 482, most of the Punjab states are now in direct relations with the Government of India. Those remaining in political relations with the Punjab Government are Dujana, Kalsia and Pataudi, and 18 hill states, of which Bashahr is the most important.

NEPAL.

The kingdom of Nepal, the land of the Gurkhas, is a narrow tract of country extending for about 520 miles along the southern slope of the central axis of the Himalayas. It has an area of 54,000 square miles, with a population of about 5,600,000, chiefly Hindus. The country was conquered during the Newar dynasty by the Gurkhas under Prithvi Narayan, who became Raja of Nepal. In 1846 the head of the Jung family obtained from the sovereign the perpetual right to the office of Prime Minister of Nepal, and the right is still enjoyed by his descendant. The relations of Nepal with the Government of India are regulated by a treaty signed in 1814 and ratified in 1815, and by subsequent agreements, the latest of which is the treaty signed on the 21st December, 1923. A British envoy resides at Katmandu. The average annual revenue is estimated at about £1,000,000.

CC-0. Jangamwadi Math Collection. Digitized by eGangotri

CURRENCY.

The silver rupee (containing 165 grains of fine silver and 15 grains of alloy, and weighing in all 180 grains troy or 1 tola) was the sole standard of value until the 26th June, 1893, when the Indian mints were closed to the unrestricted coinage of silver into rupees and it was notified that gold coin and bullion would be received at the mints in exchange for Government rupees at a rate equivalent to a rate of exchange of 15 rupees per £1. In 1899 British gold coins were made legal tender side by side with rupees at that rate. From 1899 to the middle of 1917 the exchange value of the rupee remained steady at about 1*s.* 4*d.*, but during the next few years, as a result of the world-wide economic disturbance produced by the Great War, it became impracticable to maintain stability in the exchange rate, and the ratio between the rupee and gold was subject to considerable fluctuation. In 1920, as a result of the recommendations of a Committee appointed in the previous year, the Government of India altered the rate at which they would accept gold, and also the legal tender value of the sovereign in India, to the equivalent of 10 rupees = 1 sovereign; but the actual exchange value of the rupee continued to fluctuate. In August, 1926, at which date the rate of exchange had for about 18 months remained fairly steady in the neighbourhood of 1*s.* 6*d.*, the Report of a Royal Commission on Indian Currency and Finance was published. The Commission recommended that India should adopt a Gold Bullion Standard, and that the rupee should be stabilised at a rate equivalent to 8·47512 grains of fine gold for 1 rupee, *i.e.*, at 1*s.* 6*d.* (gold). Pending the passage of the requisite legislation, the Secretary of State announced that any necessary steps would be taken to confine the movements of the exchange within the approximate gold points calculated on the basis of 1*s.* 6*d.* gold rupee (*i.e.*, approximately between 1*s.* $6\frac{7}{16}$*d.* and 1*s.* $5\frac{3}{8}$*d.*). The average of the market rates of exchange for the period July–December, 1926, was 1*s.* $5\frac{5}{8}$*d.*

The rupee is subdivided as follows:—1 rupee = 16 annas; 1 anna = 12 pies; 1 pice = 3 pies.

A lakh, or lac, of rupees (written Rs. 1 lakh, or Rs. 1,00,000) is one hundred thousand rupees. A crore of rupees (written Rs. 1 crore, or Rs. 1,00,00,000) is one hundred lakhs of rupees.

Silver, nickel, bronze and copper coins of fractional values of a rupee are also in circulation.

Currency notes issued by the Government of India are used extensively and have been issued in the following denominations: 1, 2½, 5, 10, 20, 50, 100, 500, 1,000, and 10,000 rupees.

WEIGHTS AND MEASURES.

The weights adopted in Government transactions and by the railway companies are as follows:—

1 tola	= 180 grains		= 11·66 grams.
1 chittak (5 tolas)	= 900 ,,		= 58·32 ,,
1 ser (16 chittaks)	= $2\frac{1}{2}$ troy lbs.	(or $2\frac{2}{37\frac{1}{7}}$ lbs. avoirdupois)	= 933·10 ,,
1 maund (40 sers)	= 100 ,,	(or $82\frac{2}{7}$,, ,,)	= 37·32 kilograms.

In Bombay a maund of 28 lbs. avoirdupois is in use; in Madras a maund of 25 lbs. avoirdupois.

In Burma a viss of $3\frac{3}{4}$ lbs. avoirdupois is used.

The gaz in Bengal is equivalent to 1 yard.
